Education

STANFORD UNIVERSITY

September 2006 - April 2010

Stanford, CA | BS degree in Engineering with a focus in Architectural Design, conferred April 1, 2010. Coursework includes: art and design studios, sustainable design, parametric design, architectural history, building systems, structural engineering, math, and computer programming. Received the 2010 Quad Award for excellence in architectural writing. 3.7 GPA

CAREER DISCOVERY

June 2009 - July 2009

Harvard Graduate School of Design, Cambridge, MA | Six weeks of rigorous design studio, drawing instruction, architectural history, and design philosophy.

Experience

FOUNDER AND DIRECTOR OF PRODUCT

July 2010 - Present

pulsd, Palo Alto, CA | www.pulsd.com | Founded a social commerce site in New York City and San Francisco to connect residents to local businesses and incentivize merchant loyalty. Led product development, managed engineering team, programmed front-end web design, and directed San Francisco content and social media.

SOFTWARE COURSE DEVELOPER AND AUTHOR

June 2010 - August 2010

Autodesk Revit 2011, Palo Alto, CA | Restructured and developed the curriculum to support the Autodesk Revit 2011 release. Planned and created course plans, instructor guides, student manuals, and video tutorials.

TUTOR

March 2008 - Present

Cardinal Education, Stanford, CA | Worked extensively with four families to supplement their children's education, attention to organization, and motivation. Mentored students with unique learning situations in all subject areas and integrated effective learning methods tailored to each one.

INTERN

June 2008 - September 2009

Cody Anderson Wasney Architects, Palo Alto, CA | Completed drafting construction documents and detail drawings, physical modeling, correspondence, and implementing a materials library organization program for the firm.

Leadership

TEACHING ASSISTANT

March 2010 - June 2010

Laser-cutting as a Design Tool, Stanford University, CA | Trained and guided students in the introductory use of a laser-cutter. Provided feedback and direction to develop ideas for projects, assessed students in their execution, and evaluated their ongoing design process to improve future development.

DIRECTOR

September 2009 - June 2010

Urban Styles Dance Company, Stanford University, CA | Scheduled and led rehearsals, directed artistic vision, coordinated performances, and delegated member responsibilities for this student-run dance company.

COMMUNITY SOCIAL CHAIR

December 2007 - December 2008

Kappa Alpha Theta, Stanford University, CA | Spearheaded the planning and organization of social functions for members and large-scale community service events.

STANFORD DOLLIE

February 2007 - May 2008

Stanford University, CA | Self-directed, five-member dance group responsible for performing at all Stanford sports events and any Stanford Band commitment. Choreographed performance material, organized rehearsals, and worked closely with Stanford alumni and Bay Area groups to plan community service rallies

Skills

Technical | HTML, CSS, Ruby on Rails, Photoshop, Illustrator, InDesign, MS Word, Excel, PowerPoint, AutoCAD, Vectorworks, Autodesk Revit, SketchUp, and Digital Project.
Manual | Drawing, drafting, scale modeling, laser-cutting, and graphic design.
